CC Docket No. 02-6

Applicant Name: Clark County School District
Applicant BEN: 143411
Application Form 471 Number: 480320
Funding Request Number: 1327659
Service Provider Name: Cox Nevada Telecom, LLC
Service Provider Identification Number: 143017743

Gentlemen:

Clark County School District requests an appeal of the Universal Service Administrative Company (USAC), Schools and Libraries Division (SLD) decision on October 3, 2008 of Form 471 Application Number 480320 for the 2005 funding year.

The decision made by the program compliance representative on a follow-up review stated, "Based on review of documentation that you have provided during recovery review, we have determined that USAC improperly committed and/or disbursed funds for FRN 1327659 because it included ineligible product(s)/service(s). According to program rules USAC is unable to fund ineligible products or services. As a result, USAC must adjust your funding commitment for FRN 1327659 to remove the cost associated with ineligible product(s)/ service(s) and USAC must seek recovery of improperly disbursed funds for FRN 1327659 in the amount associated with ineligible products(s)/service(s) beyond the amount to be adjusted as required by program rules. In order to facilitate commitment adjustment or recovery of improperly disbursed funds process for this FRN(s), the charges associated with ineligible items must be identified. Listed below are the ineligible items and their associated costs: **Dark Fiber supplied by Cox Nevada Telecom, LLC is totally ineligible for funding since the service provider has not provided modulating electronics. As such the full committed amount of \$1,869,956.43 for FRN 1327659 will be rescinded and all disbursed funds will be recovered.**"

The District requests funding for fiber optic cable for its Wide Area Network (WAN), which is consistent with the overall networking plan developed and implemented based on SLD rules and regulations that have been in effect since 2001.

No. of Copies rec'd
List ABCDE

CC Docket No. 96-45, page 33, (Attachment B) under Dark Fiber (provided by service provider but "lit" by applicant) states, "Service providers can lease fiber capacity that does not include modulating electronics to schools or libraries, if the applicant provides the electronics to modulate the fiber. The lease of such fiber cable for obtaining Telecommunications Services or Internet Access is eligible, if the applicant's electronics are located solely at eligible school or library sites, and if the conditions apply that are described under the heading "Wide Area Networking" in the relevant section."

Our request is for continued operation of the sites on the WAN approved by SLD in Funding years 2002 and 2003, as well as new sites added due to the districts growth. We understand that USAC changed its rules regarding Dark Fiber in Funding Year 2004. We are asking that we be granted a "grandfather" provision for the USAC rules and regulations that were in effect, when the Form 470 application was approved and we created the contract with Cox Nevada Telecom, through the life of the contact, Funding Year 2013. The following are points to support our appeal request:

1. USAC allows multi-year contract options which let the district post one Form 470 for the life of the contract created. By granting this exemption, how and should any subsequent USAC changes affect the remainder of the existing contract?
2. Has USAC taken into consideration the state requirements for the contract changes they are requesting?
3. The District has expended over \$40 million of its scarce funds to develop and implement this high bandwidth network to support the telecommunications needs into the foreseeable future. It would be cost prohibitive to modify over 300 locations to comply with the new USAC WAN guideline.
4. The District uses 100% of the leased fiber in its WAN operations.
5. The existing WAN can not function without the leased fiber.
6. The District purchased the modulating equipment since it was the most cost effective option. Had the modulating equipment been leased, the District would have to rely on the vendor for maintenance. The District has experienced the chaos resulting from a nonperforming vendor who left the District without internet access for over two days. It is unacceptable to be without communication services for any length of time.

In summary, the District has shown good faith effort to follow the e-rate guidelines since 1998 and has based its telecommunications procurement decisions on published guidelines, eligibility lists, and prior SLD approvals. To have the regulations changed mid-stream and deny approval, has the potential to cause further financial hardship at a time when operational resources are inadequate.

If you need additional information or have additional questions please contact, Kimberley Dauterive at 5100 W. Sahara Ave., Las Vegas, NV 89146-3406, fax number 702-855-3114, e-mail address kadauterive@interact.ccsd.net or by phone at 702-799-5452 extension 5234.

Sincerely,

Response Due Date: October 20, 2008

We are currently in the process of doing a follow-up review of Funding Year's 2005 & 2006 form 471 applications 480320 & 519392 for schools and libraries discounts to ensure that it is in compliance with the rules of the Universal Service program. To complete my review I need some additional information. The information needed to complete the review is listed below.

Based on review of documentation that you have provided during recovery review, we have determined that USAC improperly committed and/or disbursed funds for FRN's 1327659 & 1442837 because it included ineligible product(s)/service(s). According to program rules, USAC is unable to fund ineligible products or services. As a result, USAC must adjust your funding commitment for FRN's 1327659 & 1442837 to remove the cost associated with ineligible product(s)/service(s) and USAC must seek recovery of improperly disbursed funds for FRN's 1327659 & 1442837 in the amount associated with ineligible product(s)/service(s) beyond the amount to be adjusted as required by program rules. In order to facilitate commitment adjustment or recovery of improperly disbursed funds process for this FRN(s), the charges associated with ineligible items must be identified. Listed below are the ineligible items and their associated costs:

Dark Fiber supplied by Cox Nevada Telcom, LLC is totally ineligible for funding since the service provider has not provided modulating electronics. As such the full committed amount of \$1,869,956.43 for FRN 1327659 and \$1,841,272.20 for FRN 1442837 will be rescinded and all disbursed funds will be recovered.

Please confirm that you agree with the cost allocation and the commitment adjustment or recovery of improperly disbursed funds determination. ____ Yes or ____ No

What to do if you disagree

Option I

If you do not agree with the cost allocation, provide an alternative cost allocation identifying the cost(s) for the ineligible item(s). Such a cost allocation must be measurable and identified in your supporting documentation. For further information, see "Cost Allocation Guidelines for Products and Services" located in the Reference Area of the SLD Web site at: <http://www.universalservice.org/sl/applicants/step06/cost-allocation-guidelines-products-services.aspx>.

Option II

If you do not agree with our eligibility assessment of your product(s)/service(s), then you may provide third party supporting documentation (e.g., vendor bill, contract, service agreement, etc.) to show why this product(s)/service(s) is eligible.

If you do not respond within 15 days, USAC will adjust your funding commitment for FRN's 1327659 & 1442837 and USAC will seek recovery of improperly disbursed funds for FRN's 1327659 & 1442837 in accordance with the cost allocation determination provided above.

Please fax or email the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested **within 15 calendar days** so we can complete our review. **Failure to do so may result in a commitment adjustment and/or recovery of previously disbursed funds.**

Please advise me if the Contact Person on the application(s) has changed from that on the original application. This change must include the Form 471 application number(s) and be signed by the original application's Contact Person, the original application's Authorized Person or a school official (with name and title provided).

Thank you for your cooperation and continued support of the Universal Service Program.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the Universal Service Administrative Company (USAC) and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471. This number is used to report to applicants and service providers the status of individual funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" is approved at the level that the SLD determined is appropriate for this FRN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connections requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

CATEGORY OF SERVICE: The type of service ordered from the service provider, as shown on your Form 471.

FORM 470 APPLICATION NUMBER: The Form 470 Application Number associated with this FRN from Block 5, Item 12 of the Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The Service Start Date for this FRN from Block 5, Item 19 of your Form 471.

CONTRACT EXPIRATION DATE: The Contract Expiration Date for this FRN from Block 5, Item 20b of your Form 471. This will be present only if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This will be present only for "site specific" FRNs.

NUMBER OF MONTHS RECURRING SERVICE PROVIDED IN FUNDING YEAR: The number of months of service that has been approved in the funding year. This will be present only for recurring services.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: The discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that you and your service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."

FCDL DATE: The date of this Funding Commitment Decision Letter (FCDL).

WAVE NUMBER: The wave number assigned to FCDLs issued on this date.

Bid Bond	A bid bond is generally obtained by a vendor or contractor from a third party and guarantees the terms of the contract or agreement are met. In the event of default or failure to meet the terms, the bond would be used to complete the contracted work.	No
Cable TV Access	Video services are eligible only if provided as a commercially available Telecommunications Service. Cable providers are not normally considered providers of Telecommunications Services.	No
Construction Costs	Construction costs, e.g., the removal, creation, repair, or replacement of walls and doorways, are not eligible, with the exception that construction incidental to component installation, that restores a facility to pre-installation conditions, is eligible. Asbestos removal is not eligible.	Conditional
Contingency Fees	In cases in which the scope of the work make it difficult to determine the specific costs beforehand, a service provider may include a reasonable contingency fee, but only if it is a regular business practice of the service provider.	Conditional
Dark Fiber (excess capacity) (provided by service provider but "lit" by applicant)	Dark fiber refers to fiber optic cable that is unused, or "dark." Capital costs for transmission capability that does not have a direct and immediate use by eligible applicants are not eligible. Service providers can lease fiber capacity that does not include modulating electronics to schools or libraries, if the applicant provides the electronics to modulate the fiber. The lease of such fiber cable for obtaining Telecommunications Services or Internet Access is eligible, if the applicant's electronics are located solely at eligible school or library sites, and if the conditions apply that are described under the heading "Wide Area Network" in the relevant section (Telecommunications Services or Internet Access). CC Docket No. 02-6

Dear Sir or Madam:

BOARD OF SCHOOL TRUSTEES

Mrs. Susan C. Brager-Wellman, President
Mr. Larry P. Mason, Vice President
Mrs. Mary Beth Scow, Clerk
Mrs. Shirley C. Barber, Member
Mrs. Ruth L. Johnson, Member
Mrs. Sheila R. Moulton, Member
Mrs. Denise M. Brodsky, Member
Mr. Carlos Arturo Garcia, Superintendent

We are appealing The Universal Service Administrative Company, Schools and Libraries Division (SLD) decision on August 3rd, 2004 of Form 471 Application #423200 for the Funding Year 2004 (July 1, 2004 to June 30, 2005) for Clark County School District, BEN# 143411.

The description on the Funding Commitment Letter stated, "30% or more of this FRN is for dark fiber service to which is ineligible based on program rules." The Clark County School District is requesting funds for fiber optic cable for the Wide Area Network (WAN), which is consistent with the overall networking plan the district has developed and implemented over the past five years based on the SLD's previous rules and regulations and prior approval.

The current request is for continued operation of the sites on the WAN previously approved by SLD, as well as new sites added due to the districts growth and the remaining sites to complete the network. A brief background of previously approved requests is provided below:

- The SLD first approved a submission based on the SLD requirements for the 7/01/01 - 06/30/02 award year (attached is the funding commitment letter) in the amount of \$56,232.00. To receive this approval the district was required to begin the submission process in 2000. This required the district to begin planning, based on SLD guidelines, in 1999.
- SLD approved identical design and requirements for the 7/01/02-6/30/03 award year (attached is the funding commitment letter) in the amount of \$1,446,444.00.
- It must be emphasized that the SLD not only approved the identical submission for the third consecutive time for the 7/01/03-6/30/04 award period (attached is the funding commitment letter) in the amount of \$1,497,420.00, but this award was for the approval of 235 sites (more than 80% of the completed network.)

In evaluating the district's WAN submission, the following points must be noted. First, based on the previous SLD guidelines and approvals, the district has committed over \$40 million of its own funds to develop and implement a high bandwidth network to support its telecommunications needs for the foreseeable future. The network is near completion and is simply too far along to be changed at this point. Second, failure to approve the current and future submissions based on guidelines after the district had committed to a previously approved direction will result in the district losing between \$1.6 and \$2.0 million annually in E-Rate discounts (approximately \$15 to \$20 million over the remaining life of our contract) for the lease of the fiber optic cable.

September 15, 2004

Many hours of research and development went into the WAN and it is an integral part of Clark County School District's Technology Plan. Since SLD has approved the District's WAN as a telecommunication service for the past three years, and in reliance on those approvals the District has continue to expand its network, we are respectfully requesting approval of this year's application as a telecommunication service.

Additionally, the District's contract with Cox Nevada Telecomm, an eligible telecomm provider, states, "It is understood that SUPPLIER shall provide and install fiber optic cable for a leased Wide Area Network as required by the district." Therefore, based upon this contract, the service the school district can use the fiber optic cable for is an eligible Wide Area Network. Under the current Schools and Libraries Eligibility list, WAN is an eligible telecommunication service. Therefore, because Clark County School District uses the leased fiber optic as its telecommunication service, and is restricted by contract to be a telecommunication service, it should be E-RATE eligible.

In summary, the Clark County School District has made a good faith effort to follow the e-rate guidelines since 1999 and, more important, based its decisions on published guidelines, eligibility list, and prior SLD approvals. For the SLD to change rules mid-stream and deny approval has the potential to cause substantial financial hardship at a time when the public is demanding increased fiscal responsibility and accountability.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that the SLD and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (ERN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FUNDING STATUS: Each ERN will have one of the following definitions:

1. An ERN that is "Funded" will be approved at the level that the SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An ERN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An ERN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An ERN that is "As Yet Unfunded" reflects a temporary status that is assigned to an ERN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connections requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" ERNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service provided in the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse service providers for the approved discounts for this service for this funding year. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry may amplify the comments in the "Funding Commitment Decision" area.

IMPORTANT REMINDERS & DEADLINES

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

FORM 486 DEADLINE - The Form 486 must be postmarked no later than 120 days after the Service Start Date you report on the Form 486 or no later than 120 days after the date of the Funding Commitment Decision Letter, whichever is later. If you are required to have a Technology Plan, you must indicate the SLD Certified Technology Approver who approved your plan and you must retain documentation of your monitoring of the progress toward your stated goals.

CHILDREN'S INTERNET PROTECTION ACT (CIPA) - If FY2003 is your Third Funding Year for the purposes of CIPA and you apply for Internet Access or Internal Connections, you must be in compliance with CIPA and cannot request a waiver. The Supreme Court may issue an opinion in July 2003 changing the CIPA requirements - watch the SLD web site.

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and services have been delivered and billed, and (for BEAR Forms) the provider has been paid.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If you are using a trade-in as part of your non-discount portion, please refer to the SLD web site.

RETAIN DOCUMENTATION - Applicants and service providers must retain documentation, including but not limited to, documents showing:

- compliance with all applicable competitive bidding requirements,
- products and/or services delivered (e.g., customer bills detailing make, model and serial number),
- resources necessary to make effective use of E-rate discounts, including the purchase of equipment such as workstations not eligible for support,
- the specific location of each item of E-rate funded equipment, and
- the applicant has paid the non-discount portion.

These documents must be retained and available for review for 5 years.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

Complete program information is posted to the Schools and Libraries Division (SLD) web site at www.sl.universalservice.org. Information is also available by contacting the SLD Client Service Bureau by e-mail at question@universalservice.org, by fax at 1-888-276-8736 or by phone at 1-888-203-8100.

Re: Form 471 Application Number: 329332
Funding Year 2002: 07/01/2002 - 06/30/2003
Billed Entity Number: 143411
Applicant's Form Identifier: 7-2002

Thank you for your Funding Year 2002 E-rate application and for any assistance you provided throughout our review. We have completed review of your Form 471. This letter is to advise you of our decision(s).

FUNDING COMMITMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Report for the Form 471 application cited above. We have reviewed each Discount Funding Request on your Form 471 application and have assigned a Funding Request Number (FRN) to each Block 5. The enclosed report includes a list of the FRNs from your application. The SLD is also sending this information to your service provider(s) so preparations can be made to begin implementing your E-rate discount(s) upon the filing of your Form 486. Immediately preceding the Funding Commitment Report, you will find a guide that defines each line of the Report.

NEXT STEPS

FILE FORM 486. Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step to facilitate receipt of discounts as featured in this letter will be to file an FCC Form 486 with the SLD. The Form 486 notifies the SLD to begin payment to your service provider and provides certified indication that your technology plan(s) has been approved by an SLD certified Technology Plan Approver. The Form 486 and instructions and the list of SLD certified Technology Plan Approvers can be found on the SLD web site at <www.sl.universalservice.org> or you can call the SLD Client Service Bureau at 1-888-203-8100 and ask that the form be sent to you. The Form 486 dated July, 2001 in the lower right corner MUST be used for Funding Year 2002 and for any previous funding years. Submissions of earlier versions of the Form 486 will be returned to you and will not be able to be processed. As you complete Form 486, you should also contact your service provider to verify they have received notice from the SLD of your funding commitments. After the SLD processes your Form 486, we can process invoices for services that have been provided to you.

DEADLINE FOR FORM 486. Form 486 must be postmarked within 120 days of the Service Start Date featured on the Form 486 or within 120 days of the date of the Funding Commitment Decision Letter, whichever is later. If the Form 486 is postmarked after the later of those two dates, the date 120 days before the Form 486 postmark date will become the start date for discounted services. If the service start date is moved, your funding commitment may be reduced. You are advised to keep proof of the date of mailing of your form(s).

REVIEW CIPA REQUIREMENTS. On December 21, 2000, the Children's Internet Protection Act (CIPA) was signed into law. That law requires schools and libraries that receive Universal Service discounts for certain services to adopt an Internet safety policy incorporating the use of filtering or blocking technology on computers with Internet access as a condition of receiving those discounts. Funding Year 2002 may be the Second Funding Year for purposes of CIPA for one or more schools and/or libraries represented on your Form 486. (Funding Year 2002 is the Second Funding Year for purposes of CIPA for a school or library if a Form 486 for internet access or internal connections was successfully data entered for Funding Year 2001. See the section of the Form 486 Instructions entitled "Impact of CIPA Requirements on Form 486" for more information on First, Second and Third Funding Years.) If Funding Year 2002 is the Second Funding Year for purposes of CIPA for one or more schools and/or libraries represented on your Form 486, those school(s) and/or library(ies) must certify that they are in compliance with CIPA unless state or local procurement rules or regulations or competitive bidding requirements prevent the making of the certification otherwise required. A school or library so prevented may request a waiver for Funding Year 2002. Certification(s) for purposes of CIPA and CIPA waiver request(s) must be made on the Form 486 or the Form 479, whichever is appropriate. See the Form 486 Instructions and the Form 479 Instructions for more information. You may also refer to the SLD web site at <www.sl.universalservice.org> or call the Client Service Bureau at 1-888-203-8100 for more information about Form 486, Form 479, and the requirements of CIPA.

FILE FORM 472 (APPLICANT) or FORM 474 (SERVICE PROVIDER). After a Form 486 has been properly filed, the SLD must receive an invoice from either the applicant or the service provider in order to make payments for approved discounts on eligible services. Form 472, Billed Entity Applicant Reimbursement (BEAR) Form, is filed by the applicant; Form 474, Service Provider Invoice Form, is filed by the service provider.

NEW DEADLINES FOR INVOICES. Invoices must be postmarked within 90 days of the last date to receive service or within 90 days of the date of the Form 486 Notification Letter, whichever is later. If an invoice is postmarked after the later of those two dates, payment will be denied.

TO APPEAL THESE FUNDING COMMITMENT DECISIONS

If you wish to appeal the Funding Commitment Decision(s) (FCD) indicated in this letter, your appeal must be RECEIVED BY THE SCHOOLS AND LIBRARIES DIVISION (SLD) WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER.
